## HAZARDOUS DUTY CONSTANT WEAR LIFEJACKET

Protecting those serving at sea

**In service and approved by UK MOD**, this lightweight, durable, low-profile lifejacket allows operatives to conduct duties on deck, bridge or ship-to-ship safely and efficiently. Quick to don, simple to service and automatic to inflate, this lifejacket serves to preserve life in the most hazardous of environments.

## BENEFITS

- ⦿ Quick Response Inflation – automatic on water impact
- ⦿ Manual Top-Up – oral inflation tube for topping up and deflation
- ⦿ Maximum Durability - manufactured from butyl-proofed nylon, protection against impact on entry of the water
- ⦿ Spray hood – easily deployed with large transparent visor
- ⦿ Safety Tested & Approved – passed drop test challenge as per UK MOD request
- ⦿ Aids Rescue – waistbelt fitted with recovery loop

*“Trusted supplier to the Ministry of Defence for over 20 years”*
