## MAROPS ABANDONMENT WAIST-WORN LIFEJACKET

Setting new standards for safety at sea

**Whether at action stations, damage control or abandoning ship,** you need a convenient, compact, waist-worn lifejacket. Designed for rapid donning and quick escape, the MarOps Abandonment is a discrete sit-snug-ready solution, in a one-pull-over action.

## BENEFITS

- ⦿ Latest 180N buoyancy high-performance bladder
- ⦿ Manual and oral inflation versions
- ⦿ Fire-retardant protective cover to ensure the bladder remains operational
- ⦿ Soft, comfortable pouch on a super-strong webbing belt
- ⦿ Low profile pouch designed to aid compartment escape, reducing the risk of snagging
- ⦿ Survivor rescue, lifting harness for swift water rescue
- ⦿ Maximum durability, manufactured from Nylon 6,6 Oxford
- ⦿ Spray hood with an in-built, transparent visor

*“Designed to be rapidly donned in emergency situations”*
