GENERAL SERVICE LIFEJACKET

Performance you can trust

Convenient, compact, waist worn pouch, our GS abandonment lifejacket suits rapid response-driven maritime encounters. Small to stow, Naval Forces personnel don them for damage control training, action stations and tight space manoeuvres, because they sit snug ready for one pull overhead.

BENEFITS

- ⦿ Soft, comfortable pouch on super-strong webbing belt
- ⦿ Low profile pouch designed to aid compartment escape
- ⦿ Orally inflated lifejacket
- ⦿ Maximum durability, manufactured from butyl-proofed nylon, protection against impact on entry of the water
- ⦿ Spray hood with in-built, transparent visor
- ⦿ Survivor rescue, lifting harness for swift water rescue

“We manufacture better because we know what you’re up against”

GENERAL SERVICE LIFEJACKET
